ABOUT ME

I'm Dharani Vasan, a second-year B.Tech student at Veltech University, specializing in AI & Data Science. Aspiring Data Scientist and Web Developer with skills in Python, SQL, data analysis, and front-end development. Familiar with Excel, Matplotlib, HTML, CSS, and JavaScript. Passionate about uncovering patterns in data and building interactive websites. Eager to learn, work on real-world projects, and apply data-driven solutions.
